

Scene Three – Campfire by Lake

The scene is the bluff overlooking Lake Galsea. Steve is sitting around a campfire making hot chocolate and cooking fish. The other kids are playing nearby (sliding, snowball fights, making snow angels, and climbing on a hill of snow). It is getting toward sunset.

Hannah	<i>Genna, Hannah and Bailey are walking back up the sliding hill. Genna runs up to top of hill first.</i> This sledding hill is a blast to go down, but not climbing back up.
Bailey	Ya – no kidding. Hey Genna – How can you run up this hill every time? Don't you get tired?
Genna	<i>Reaches top of hill first and grabs an icicle off a pine tree branch.</i> Not really – I exercise a lot. I run and “I cycle.” <i>Holds up icicle and licks it.</i>
Jeremy	<i>Having a snowball fight with Riley and he gets hit and falls down.</i> Ouch! Ok Riley, let's be done for a while. Man that hurt. Where did you learn to throw like that? From your baseball coach at school?
Riley	<i>Laughs.</i> No. Actually at home...I was “Elf taught”.
Jeremy	<i>Laughing and still on the ground then looks over at Steven.</i> Hey Steve, whatcha eating over there – Frosted Flakes?

Steve	Funny. I'm making some fish and just “chillin” .
Jeremy	That's “cool” .
Sidney	<i>Walks over to the campfire where Steve is sitting.</i> Hey little bro – What are ya doing?
Steve	<i>Quickly hides the other picture he had grabbed.</i> Nothing. Just hanging out...making a little snack.
Sidney	<i>Sits down and grabs a hot chocolate.</i> Mmmm. That's good. So what was that picture you gave me? That Simon guy grabbed it before I even saw it.
Steve	<i>Stares at Sidney for a second contemplating, then hands her the picture.</i> I found them in Simon's shed.
