

Santa and Jesus are standing by a light pole on a city street discussing which one really represents Christmas...

Jesus	Say what's that list you got?
Santa	This? Well... <i>momentary lapse, has to look at where he'd previously written Jesus' name to remember it</i> , Jesus, this just happens to be the actual "naughty and nice list". Just going over one last time. Some real surprises this year. <i>Scrolls out the long list. Two elves retrieve the bottom of it and roll it back up</i>
Jesus	You don't say. Naughty and nice list huh?
Santa	Yeah. <i>Suddenly getting the feeling his list isn't as exclusive as he thinks it is</i> But I bet...you've got one of those, don't you?
Jesus	Sure do. Right here. <i>Holds scroll up</i>
Santa	Now just a darn minute here. You're going a little too far. The naughty and nice list is my baby – all the way. Very accurate compared to... whatever list you got.
Jesus	Try me.
Cindy Lou	<i>Walking by</i> Hi Jesus. Hi Santa.
Santa	Hi there ah ...
Jesus	<i>Looks at Santa. Cindy. Looks at Cindy.</i> Hi there Cindy Lou.
Santa	Ok. Let's see...how bout her <i>points to Cindy Lou</i> ...ah Cindy Lou ah? ...
Jesus	Wilson
Santa	Ya Cindy Lou Wilson. I've got her on the nice list this year. What say you? <i>Santa leans over to Jesus list and finds Cindy Lou Wilson</i> Ha, told you so. Look here you got her on the naughty list. I knew it, you've got bad data.
Jesus	I don't think so
Santa	<i>Still looking at Jesus list</i> Hey what's going on here...you have EVERYONE on the naughty list...and some on the nice list. I'm sorry Jesus but you've got a real mess here.
